A G301R Na⁺/K⁺-ATPase mutation causes familial hemiplegic migraine type 2 with cerebellar signs

Published online: 26 August 2005
© Springer-Verlag 2005

Neurogenetics (2004) 5:177–185

The authors would like to point out that a mistake occurred in the order of the names of the authors for the article “A G301R Na(+)/K(+)-ATPase mutation causes familial hemiplegic migraine type 2 with cerebellar signs, Neurogenetics. 2004 Sept 5(3):177–85 epub Jul 31.

Instead of Veneziano Liana, Antonini Giovanni, Giunti Paola, these authors' names are Liana Veneziano, Giovanni Antonini, and Paola Giunti.

The affiliation of Paola Giunti should be: Department of Molecular Neuroscience, Institute of Neurology, National Hospital for Neurology and Neurosurgery, London WC1N 3BG, UK.

The online version of the original article can be found at
