Contrib Mineral Petrol (1991) 106:474–505

An unfortunate error occurred in Eqs. (3a) and (3b) on p. 476 of the above article. A factor of one-half was omitted in both equations, which should have read as follows:

$$s_2 = \frac{1}{2} [2 X_{\text{Al}^{3+}}^{\text{oct}} - X_{\text{Al}^{3+}}^{\text{tet}}] \quad (3b)$$

$$s_4 = \frac{1}{2} [2 X_{\text{Fe}^{3+}}^{\text{oct}} - X_{\text{Fe}^{3+}}^{\text{tet}}]. \quad (3c)$$
