

ASSOCIATION FOR THE BEHAVIORAL SCIENCES AND MEDICAL EDUCATION

The fall meeting of ABSAME was held at the Allenberry Inn, Boiling Springs, Pennsylvania, from October 16 through October 19, 1977. The meeting considered medical student perspectives on behavioral science teaching, which included a panel of medical students; revision of the statement on educational goals; a panel of residents who talked about perceived needs and opportunities in the clinical years; and the usual format of workshops, media mart, and informal conversation.

A panel, "Training Physicians for Modern Practice," moderated by Shirley Nichols Fahey, was presented at the 88th Annual Meeting of the Association of American Medical Colleges.

SOCIETY OF PROFESSORS OF CHILD PSYCHIATRY

The Society has not met since March 1977. Plans are still to hold the next annual meeting in the Southwest area of the country with the professors of child psychiatry of the Ohio-Kentucky area to be in charge of the program. As always, the program is defined by the heads of divisions of child and adolescent psychiatry within that region. The chairman of

this nonorganization is Henry Work, M.D., and the steering committee consists of Doctors Work, Irving Phillips, Jerry Weiner, Judith Forgetzen, Marshall Schechter, and James Sussex.

Mailing Address: Henry Work, M.D., American Psychiatric Association, 1700 18th Street, N.W., Washington, D.C. 20009.
