Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-021-25667-4>, published online 10 September 2021.

The original version of this article contained errors in Tables 1 and 2, where units of gamma-glutamyl transferase (GGT), aspartate aminotransferase (AST), and alanine aminotransferase (ALT) were expressed as mmol/L, while they should have been expressed as U/L. This has been corrected in both the PDF and HTML versions of the Article.
