Correction to: Nature Communications <https://doi.org/10.1038/s41467-017-00972-z>, published online 11 Oct 2017.

Li-Fan Lu and Alexander Y. Rudensky, who supplied miR-146a floxed mice used in this study, were inadvertently omitted from the author list in the originally published version of this Article. This has now been corrected in both the PDF and HTML versions of the Article. The generation of the floxed mice has been described in detail by Cho and Lee et al¹.
