Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-021-26595-z>, published online 5 November 2021.

The original version of this Article contained an error in Fig. 4b, in which a variable (IMAGE 3.0) for one scenario for the year 2050 was incorrectly reported/placed. This has been corrected in both the PDF and HTML versions of the Article.
