Correction to: *Nature Communications*; <https://doi.org/10.1038/s41467-018-05134-3>; published online 17 July 2018

The original version of the Supplementary Information file associated with this Article contained an error in Supplementary Fig. 2. In panel c, the graph was inadvertently replaced with a duplicate of the graph in panel a. The error has now been fixed and the corrected version Supplementary Information PDF is available to download from the HTML version of the Article.
