Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-018-06713-0>; published online 12 Oct 2018

The original version of this Article contained an error in Fig. 4. In panel i, the lower CYA and α -SMA images were inadvertently inverted. This has been corrected in both the PDF and HTML versions of the Article.
