

BIBLIOGRAPHY

Bibliography of urban history 2020

Andrew McTominey

The present bibliography is a continuation of and a complement to those published in the *Urban History Yearbook* 1974–91 and *Urban History* from 1992. The arrangement and format closely follows that of previous years. The list of abbreviations identifies only those periodicals from which articles cited this year have been taken, though many other journals are also checked.

I General

Research methods, aids and materials
Maps and plans
Archives – descriptions and examples
Urban history, definitions and aims
Historiography
Theory of urbanization
Empirical studies of urbanization
History, growth and fortunes of individual towns
Literary portrayals and personal reminiscences

II Population

Research methods, aids and materials
General features of urban population
Natality and mortality
Disease
Medicine
Migration to, from and between towns
Family and household structure

III Physical structure

Research methods, aids and materials
Physical and structural characteristics of towns
Physical and structural characteristics of area
Architecture
Housing
Heritage and the historic environment

IV Social structure

Research methods, aids and materials
Social organization, clubs and societies
Class structure
Social life
Social life, customs and traditions

706 Andrew McTominey

Religion
Recreation
Social problems and deviance
Social reforms and improvement
Minority groups
Family life
Gender
Sexualities

V Economic activity

Urban economic activity
Industry
External trade
Food supply
Finance, banking and industry
Consumption
Earnings
Standard of living
Working conditions
Labour organization

VI Communications

Inter-urban communications
Intra-urban communications

VII Politics and administration

Aspects of urban administration
Political activism

VIII Shaping the urban environment

Town planning (and environmental control)
Utopian planning and experiments
Urban renewal

IX Urban culture

Research methods, aids and materials
Urban culture and entertainment
Forms of entertainment
Exchange of information
Education
Emotions and the senses

X Attitudes towards cities

Attitudes towards cities
Views of the city in literature, graphics and drama
