

Corrigendum

Bitemporal *v.* high-dose right unilateral electroconvulsive therapy for depression: a systematic review and meta-analysis of randomized controlled trials – CORRIGENDUM

E. Kolshus, A. Jelovac and D. M. McLoughlin

doi:10.1017/S0033291716002737, first published online by Cambridge University Press October 26 2016

An error was included in [Fig 3](#) of the above article. The data for item 3.1 Reorientation time were mistakenly switched around with regards to the Bitemporal and Unilateral groups. The corrected [Figure 3](#) is presented below. The results are otherwise correct and conclusions unchanged. The authors would like to apologise for this error.
