Skeletal Radiol. 2009 Sep;38(9):877-85. Epub 2009 May 9.

On page 882 of the paper mentioned above, we have incorrectly implied that Drs. Modic and Bogduk were both co-authors of reference (42) and that they had the same opinion regarding HIZs. Reference 42 has been authored by N. Bogduk alone. We apologise to the readers of Skeletal Radiology and to Dr. Modic for this error.
