CORRIGENDUM: Ion concentration polarization-based continuous separation device using electrical repulsion in the depletion region

Hyungkook Jeon, Horim Lee, Kwan Hyoung Kang & Geunbae Lim

SCIENTIFIC REPORTS:
3 : 3483
DOI: 10.1038/srep03483
(2013)

The original version of this Article contained a typographical error in the Results section. Under the subheading ‘Theoretical analysis of electrical forces’, “and ζ_p and \mathbf{u}_p are the dynamic viscosity and particle velocity, respectively” should read “and ζ_p and \mathbf{u}_p are the surface potential and the velocity of the particle, respectively”.
