Correction to:

Bulletin of Environmental Contamination and Toxicology

<https://doi.org/10.1007/s00128-020-02900-2>

The original version of the article unfortunately contained a mistake in Fig. 3. In this figure, norank_o_DS-100 and *Niastella* were mistakenly labelled with α -*Proteobacteria* and *Firmicutes*, respectively. The correct lineage is given below.

Norank_o_DS-100 is within the phylum *Acidobacteria*, while *Niastella* belongs to the phylum *Bacteroidetes*.

This has been corrected with this erratum.
