

# Correction to: Functions of Lipids in Development and Reproduction of Arbuscular Mycorrhizal Fungi

This is a correction to: *Plant and Cell Physiology*, Volume 63, Issue 10, October 2022, Pages 1356–1365, <https://doi.org/10.1093/pcp/pcac113>

In the originally published version of this manuscript there were errors in Figure 1. This should read:

instead of:

In the legend to Figure 2, the seventh section should read: “(F) (S)-12-methyltetradecanoic acid (anteiso-C15:0 FA).” instead of: “(F) (S)-12-methyltetradodecanic acid (anteiso-C15:0 FA).”

The same IUPAC name of chemical anteiso-C15:0 was incorrectly referenced only once on p.1361, column b. These should read instead: ‘(S)-12-methyltetradecanoic acid’.

These errors have been corrected in the article online.
