Correction to: Protective and therapeutic role of 2-carbacyclic phosphatidic acid in demyelinating disease

Shinji Yamamoto¹, Kota Yamashina¹, Masaki Ishikawa¹, Mari Gotoh², Sosuke Yagishita¹, Kensuke Iwasa¹, Kei Maruyama¹, Kimiko Murakami-Murofushi² and Keisuke Yoshikawa^{1*}

Correction

After publication of the article [1], it was brought to our attention that an acknowledgement was missing from the original version. The authors would also like to include “We appreciate that Dr. Yoshibumi Shimizu at Ochanomizu University for sharing with us his preliminary experimental results about 2ccPA in the mouse brain following intraperitoneal administration”.
