

Correction to Targeting the *c-Kit* Promoter G-quadruplexes with 6-Substituted Indenoisoquinolines

[ACS Med. Chem. Lett. 2010, 1, 306. DOI: 10.1021/ml100062z]

Mallesham Bejugam, Mekala Gunaratnam, Sebastian Müller, Deborah A. Sanders, Sven Sewitz, Jonathan A. Fletcher, Stephen Neidle, and Shankar Balasubramanian*

The authors would like to acknowledge, via this correction, that synthetic routes to 6-substituted indenoisoquinolines and other related indenoisoquinolines have been previously published.^{1,2} The omission of these citations in our original publication was an oversight.
