## Corrigendum: Reengineering the Tumor Microenvironment to Alleviate Hypoxia and Overcome Cancer Heterogeneity

John D. Martin, Dai Fukumura, Dan G. Duda, Yves Boucher, and Rakesh K. Jain

In the first version of this article, the legend to Figure 3B indicated that the images were from Chauhan et al. (2012) rather than from Chauhan et al. (2013). The authors apologize for this error. In the current version of the article, the legend has been amended to include the correct reference citation.

### REFERENCES
