The Introduction of this Article incorrectly cites reference 4 [Groves, C. & Shekelle, M. The genera and species of Tarsiidae. *Int J Prim* 31, 1071-1082 (2010)] as supporting the prosimian monophyly hypothesis. This citation should refer to Reference 3 [Chatterjee, H. J., Ho, S. Y., Barnes, I. & Groves, C. Estimating the phylogeny and divergence times of primates using a supermatrix approach. *BMC Evol Biol* 9, 259 (2009)]. Other citations of reference 4 in the Article are correct.
