Data 4 Climate Action Edinburgh

a group of volunteers

donating time & skills with data
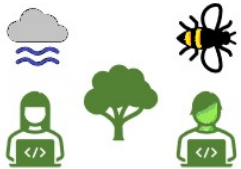

for climate action & biodiversity

Formation of the group

- Context: Discussions taking place in Scotland's climate action community in 2022: about how networks might facilitate mutual and external help and support.

- Role identified for Data 4 Climate Action Edinburgh (D4CAE) through engagement with Edinburgh Voluntary Organisations Council and the Scottish Secretariat for Climate Action Networks.

- 2023: D4CAE joins ECAN

Formation of the group

- Feedback at Edinburgh Climate Festival, with thanks to University of Edinburgh Sustainability team and Community Engagement team for the gazebo.
