

CORRIGENDUM

Extracellular-matrix tethering regulates stem-cell fate

Britta Trappmann, Julien E. Gautrot, John T. Connelly, Daniel G. T. Strange, Yuan Li, Michelle L. Oyen, Martien A. Cohen Stuart, Heike Boehm, Bojun Li, Viola Vogel, Joachim P. Spatz, Fiona M. Watt and Wilhelm T. S. Huck

Nature Materials **11**, 642–649 (2012); published online 27 May 2012; corrected after print 3 July 2012.

In the version of this Article originally published, in Fig. 4f, the two red-stained fluorescence microscopy images were reversed; this has now been corrected in the HTML and PDF versions.
