Erratum: Hopping conduction in Langmuir films

[Appl. Phys. Lett. 27, 559 (1975)]

M. Sugi, T. Fukui, and S. Iizima

Electrotechnical Laboratory, Mukodai, Tanashi, Tokyo, Japan

PACS numbers: 01.85., 73.20.H, 73.40.R, 73.60.H

On p. 560, left-hand column, line 25, the Fermi function of Eq. (3) " $f(E) = [\exp(E/kT) + 1]^{-1}$ " should read " $f(E) = \{\exp[(E - E_F)/kT] + 1\}^{-1}$ ". On p. 561, left-hand

column, lines 9 and 10 of the first paragraph, " $2\alpha = 1.2 \text{ \AA}^{-1}$ " should read " $2\alpha = 1.5 \text{ \AA}^{-1}$ ".

CUMULATIVE AUTHOR INDEX

All authors published so far in the current volume are listed alphabetically with the issue and page numbers following the dash. A cumulative author and subject index covering each volume is published every six months. An (E) after the page number indicates an Erratum.
