DOI: 10.1002/advs.201800981

In the originally published version of this article, the SEM image in **Figure 4B** inadvertently features the wrong sample. The correct Figure 4B is shown below. The authors declare that this correction does not affect the description, interpretation, or the original conclusions of the manuscript. The authors regret the inconvenience this error may have caused.

Figure 4. a,b) SEM images of the MgPS cathode discharged to 0.3 V and fully charged in the Y-based electrolyte; c,d) the MgPS cathode discharged to 0.3 V and fully charged in the Al-based electrolyte. Scale bar: 4 μm .
