Erratum to: Planta
DOI 10.1007/s00425-012-1596-z

In the online publication, the plotting symbols were inadvertently omitted in Fig. 7. The author regrets this omission and the correct version is given below.

Fig. 7 Relaxation spectra of wild type (*open symbols*) and PAT31 (*closed symbols*). *Dashed lines* indicate the reliable range; meaning of *error bars* is given in Hansen et al. (2011). τ time in s
