**High-pressure experimental calibration of the  
olivine-orthopyroxene-spinel oxygen geobarometer:  
implications for the oxidation state of the upper mantle**

Contrib Mineral Petrol (1991) 107:27–40

An unfortunate error appeared on page 34. The term  $X_{\text{Fe}^{3+}}^{\text{sp}_1}$  is defined as the ratio  $\text{Fe}^{3+}/\sum\text{R}^{3+}$ .

Please correct your copy accordingly.
