

Corrigendum to “Identification of Major Depressive Disorder: Using Significant Features of EEG Signals Obtained by Random Forest and Ant Colony Optimization METHODS” by Saikat et al., Proceedings of the 2020 4th International Conference on Intelligent Systems, Metaheuristics & Swarm Intelligence (ISMI 2020), March 2020, Pages 65–70

In the article “Identification of Major Depressive Disorder: Using Significant Features of EEG Signals Obtained by Random Forest and Ant Colony Optimization METHODS” by Saikat et al., Proceedings of the 2020 4th International Conference on Intelligent Systems, Metaheuristics & Swarm Intelligence (ISMI 2020), March 2020, Pages 65–70, the word “METHODS” in the title has been published incorrectly as capital letter. The correct title is,

- “Identification of Major Depressive Disorder: Using Significant Features of EEG Signals Obtained by Random Forest and Ant Colony Optimization Methods”

(See DOI <https://doi.org/10.1145/3396474.3396480>)
