Due to an unfortunate turn of events, an incorrect version of Fig. 1 was published causing three panels to

be duplicated. The correct images and their caption are published here and should be treated as definitive by the reader.

The online version of the original article can be found under doi:[10.1007/s10681-014-1234-x](https://doi.org/10.1007/s10681-014-1234-x).
