

Erratum

Large deviations for Langevin spin glass dynamics

G. Ben Arous¹, A. Guionnet²

Probab. Theory Relat. Fields 102, 455–509 (1995)

Due to a most unfortunate error the name of the first author, G. Ben Arous, was abbreviated to G.B. Arous on the front cover, at the head of the article and in the short running title.

We apologize most sincerely.
