Proceedings of the International Conference on Computing and Communication Systems

I3CS 2020, NEHU, Shillong, India

Series: Lecture Notes in Networks and Systems

- Presents research works in the field of computing and communication systems
- Discusses results of ICICCS 2020 held in Shillong, India, during 28–30 April 2020
- Serves as a reference for researchers and practitioners in academia and industry

This book contains the latest research work presented at the International Conference on Computing and Communication Systems (I3CS 2020) held at North-Eastern Hill University (NEHU), Shillong, India. The book presents original research results, new ideas and practical development experiences which concentrate on both theory and practices. It includes papers from all areas of information technology, computer science, electronics and communication engineering written by researchers, scientists, engineers and scholar students and experts from India and abroad. The book has 5 sections, namely (i) computational intelligence, (ii) networking and communication, (iii) computational biology, (iv) security and cryptography and (v) systems and computing.
