Schroth , Jo Vandesompele , Pavel Sumazin  and Pieter Mestdagh 

Correction to: *Nature Biotechnology* <https://doi.org/10.1038/s41587-021-00936-1>, published online 17 June 2021.

In the version of this article initially published online, Pavel Sumazin's affiliation was given as Cancer Research Institute Ghent (CRIG), Ghent, Belgium. The correct affiliation is Texas Children's Cancer Center, Baylor College of Medicine, Houston, TX, USA. The error has been corrected in the print, PDF and HTML versions of the article.

Publisher Correction: Measurement of histone replacement dynamics with genetically encoded exchange timers in yeast

Gilad Yaakov , Felix Jonas  and Naama Barkai 

Correction to: *Nature Biotechnology* <https://doi.org/10.1038/s41587-021-00959-8>, published online 8 July 2021.

In the version of this Article initially published, there was an error in Fig. 3. Specifically, in Fig. 3a, the lower blue equation at left, the denominator in the final term was a duplication of the second-to-last term, mistakenly reading “*koff + kclv*” when it should have been “*kon + koff*”. The corrected equation now reads: “ $\hookrightarrow myc_{ss} = f \frac{kon}{koff+kclv} \frac{koff}{kon+koff}$.”

The changes have been made to the print and online versions of the Article.

Publisher Correction: Oncologists greet Lumakras: the world's first KRAS inhibitor

Cormac Sheridan

Correction to: *Nature Biotechnology* <https://doi.org/10.1038/s41587-021-01053-9>, published online 9 September 2021.

In the version of this News article initially published, the article should have stated that in addition to Qiagen's Therascreen, the FDA also approved Guardant360 CDx from Guardant Health, as companion diagnostics for Lumakras. In the fourth paragraph, in the third sentence beginning “It is approved for use with a companion diagnostic,” the end of the sentence has been amended to include “or Guardant360 CDx from Guardant Health.”

The online version of the article has been updated.
