Contents

1	Introduction.....	235
I	What and how.....	236
2	Ingressive phonation (not necessarily speech).....	236
2.1	Breathing basics.....	236
2.2	Airstream mechanisms and initiation.....	236
2.2.1	General overview.....	237
2.2.2	Detailed description.....	241
2.3	Pulmonic ingressive clicks.....	241
2.4	Medical observations.....	242
2.4.1	Inspiratory phonation in various pathological conditions.....	242
2.4.2	Inspiratory phonation as a part of stuttering.....	242
2.4.3	Psychiatric observations.....	243
2.4.4	Ingressive speech as a tool and treatment.....	243
2.5	Ingressive speech in physiology.....	244
2.5.1	Formant production.....	244
2.5.2	F0 declination and expanding rib cages.....	245
II	Where and who.....	245
3	Ingressive phonation and ingressive speech.....	245
3.1	Ingressive speech in dictionaries and encyclopedias.....	245
3.2	'Ingressive species' with ingressive 'speeches'.....	246
3.2.1	General observations and sundry animals.....	246
3.2.2	Birds.....	247
3.2.3	Frogs.....	248
3.2.4	Monkeys and apes.....	248
3.3	Humans.....	250
3.3.1	Infant cry.....	250
3.3.2	Adult sounds.....	251
3.3.3	Ventriloquists and (other) shamans.....	252
3.4	Summary.....	254
4	Languages with reported pulmonic ingressive speech.....	254
4.1	Throat games.....	255
4.1.1	The <i>kattajaq</i> of the Inuit (Canada).....	255
4.1.2	The <i>rekkukara</i> of the Ainu (Japan).....	256
4.2	Whistled languages.....	256
4.3	Do ingressive phonemes exist?.....	258
4.3.1	Tsou in Taiwan.....	258
4.3.2	Damin (Lardil) in Australia.....	259

4.4	Countries and regions with reported ingressive speech	259
4.4.1	Latvia	261
4.4.2	Estonia	261
4.4.3	Russia, Armenia and Georgia	261
4.4.4	Finland	261
4.4.5	Sweden	261
4.4.6	Norway	263
4.4.7	Denmark	263
4.4.8	Germany	264
4.4.9	Switzerland	265
4.4.10	Austria	265
4.4.11	The Netherlands	265
4.4.12	Belgium	266
4.4.13	France	266
4.4.14	England	267
4.4.15	Wales	268
4.4.16	Ireland and Northern Ireland	268
4.4.17	Scotland, Faroe, Orkney and Shetland Islands	268
4.4.18	Iceland	269
4.4.19	Greenland	270
4.4.20	Canada	270
4.4.21	United States	272
4.4.22	Mexico	273
4.4.23	Colombia	273
4.4.24	Argentina	273
4.4.25	Chile	274
4.4.26	Turkey	274
4.4.27	Cyprus	274
4.4.28	Malta	275
4.4.29	India	275
4.4.30	China	275
4.4.31	Mongolia	275
4.4.32	Japan	275
4.4.33	The Philippines	276
4.4.34	Indonesian Province of Papua (Western New Guinea/Irian Jaya)	276
4.4.35	Papua New Guinea	276
4.4.36	Vanuatu	276
4.4.37	New Zealand	277
4.4.38	Australia	277
4.4.39	Malawi	277
4.4.40	Guinea, Sierra Leone and Liberia	277
4.4.41	Togo	277
4.4.42	Tanzania	278
4.4.43	South Africa	278
4.4.44	'Arabia'	278
4.4.45	'Pays des Hottentots'	278
4.5	Summary	278

III Why **279**

5	Functions of ingressive speech	279
5.1	'Shamanic' function	279
5.2	Phonemic function	279
5.3	Voice disguise	280
5.4	The paralinguistic sympathetic affirmative feedback signal	280
5.5	Physiological aspects	282
5.6	Final comments	283

IV	Annotation and spectrograms	284
6	Annotation	284
7	Spectrograms	286
8	Website	290
	Acknowledgements	291
	Appendix A: An alphabetical listing of countries with reported ingressive phonation and/or speech...	292
	Appendix B: Chronological overview of different systems fo transcribing ingressive phonation/speech	305
