### Erratum to: J Clust Sci (2017) 28:1083–1112 DOI 10.1007/s10876-016-1101-0

The original version of this article unfortunately contained a mistake. The attribution in the ‘Actinomycetes Strains’ experimental section for the source of the actinomycetes used in the study was incorrect. The laboratory stated in the first paper was Medical Microbiology Laboratory in the Plant and Microbiology Department, Faculty of Science (Boys), Al-Azhar University, Cairo, Egypt however the correct affiliation is ‘Bacteriology in Botany and Microbiology Department in faculty of science (Boys), Al-Azhar University’.
