Retraction Note: Auraptenol attenuates vincristine-induced mechanical hyperalgesia through serotonin 5-HT_{1A} receptors

Yunfei Wang¹, Shu-e Cao¹, Jianmin Tian¹, Guozhe Liu¹, Xiaoran Zhang¹ & Pingfa Li²Retraction of: *Scientific Reports* <https://doi.org/10.1038/srep03377>, published online 29 November 2013

The editors are retracting this Article because the figures and the majority of the text are identical to those of another paper¹. These issues undermine confidence in the validity of the study and the conclusions cannot be considered reliable.

The authors could not be reached.
