Retraction Note to: Investigative advising: a job for Bayes

Jared C. Allen*

**Retraction Note to: *Crime Science* 2014, 3:2
DOI 10.1186/2193-7680-3-2**

This article (Allen 2014a) has been retracted by the publisher because it was published twice in error (Allen 2014b) during a change in production systems. The publisher apologizes to the authors and readers for the error and any inconvenience caused.

The online version of the original article can be found under doi:[10.1186/2193-7680-3-2](https://doi.org/10.1186/2193-7680-3-2).

Received: 25 October 2016 Accepted: 27 March 2017
