

Review of: "Role of ChatGPT in the Film Industry: According to ChatGPT"

Christos - Antonios Gizelis

Potential competing interests: No potential competing interests to declare.

ChatGPT, however the author fails to go deep into the details as expected by the readers.

There is no clear positioning.

Even though that advantages and disadvantages are mentioned, this paper does not analyse any of them.

Not enough references which means that the author hasn't made enough research on the topic.
