<i>Wynand P.M.M. van de Ven</i>	
Introduction	49
Why Are Out-of-Pocket Health Expenses So Common?	50
Subsidies for Health Insurance	54
Mandatory Community Rating: Does One Premium Fit All?	61

Economic Motives for Mandatory Health Insurance	63
Conclusions and Discussion	65
References	67
4. Reaching the Poor: Transfers from Rich to Poor and from Healthy to Sick	71
<i>Sherry Glied and Mark Stabile</i>	
What Is Social Health Insurance?	71
Design Considerations	75
Financing Mechanisms	84
Notes	90
References	90
5. Binding Constraints on Public Funding: Prospects for Creating "Fiscal Space"	91
<i>Peter S. Heller</i>	
What Are the Sources of "Fiscal Space"?	91
Issues That Arise in the Creation of "Fiscal Space"	95
Concluding Remarks	98
Notes	99
References	99
6. Universal Coverage: A Global Consensus	101
<i>Guy Carrin, Inke Mathauer, Ke Xu, and David B. Evans</i>	
Introduction	101
Shifting to Prepayment	102
Policy Norms in Health Financing	103
Key Questions	103
Factors to Consider	106
Toward a Comprehensive Framework	107
Conclusion	110
Note	110
References	110
PART 2 FROM THEORY TO PRACTICE: EVIDENCE FROM THE GROUND	113
7. The French Connection in Francophone Africa	115
<i>Yohana Dukhan, Alexander S. Preker, and François Diop</i>	
Introduction	115
Current Status of Health Financing and Health Insurance	116
Key Factors in the Development of Health Insurance	131
Prospects for the Development of Health Insurance	137
Conclusions	139
Annex 7A Statistical Annex	141
Notes	142
References	143

8. “Big-Bang” Reforms in Anglophone Africa	147
<i>Caroline Ly, Yohana Dukhan, Frank G. Feeley, Alexander S. Preker, and Chris Atim</i>	
Introduction	147
Health Coverage and Insurance Arrangements	151
Factors Underlying Resistance to Reform and Implementation	156
Targeted Areas for Scaling Up Health Insurance Development	171
Annex 8A Health Insurance Arrangements in Anglophone Africa, by Country	177
Notes	185
References	185
9. Moving from Intent to Action in the Middle East and North Africa	191
<i>Bjorn O. Ekman and Heba A. Elgazzar</i>	
Introduction	191
Health Financing in MENA: Trends and Patterns	192
Health Insurance in MENA	199
Conclusions and Recommendations	208
Annex 9A MENA: National Health Expenditure, 1995–2008	217
Annex 9B MENA: Health Financing and Insurance, Selected Countries	221
Notes	227
References	228

<i>Ricardo Bitrán</i>	
Introduction	231
Overview of the LAC Region	232
Policy Challenges That Arise When Extending Coverage	234
Strategies for Extending Health System Coverage:	
Social Insurance and Other Approaches	241
Summary and Conclusions	264
Notes	269
References	270
11. Orient Express in South, East, and Pacific Asia	273
<i>William C. Hsiao, Alexis Medina, Caroline Ly, and Yohana Dukhan</i>	
Introduction	273
Overview of Socioeconomic, Demographic, and Health Conditions	275
Role of Private Insurance in Scaling Up	282
Barriers to Scaling Up	283
Factors Enabling Developed Asian Countries to Scale Up	290

Scaling Up in Five Low- and Lower-Middle-Income Asian Countries	293
Lessons and Conclusions	309
Notes	310
References	310
12. Bismarck's Unfinished Business in Western Europe	313
<i>Hans Maarse, Alexander S. Preker, Marianne E. Lindner, and Onno P. Schellekens</i>	
The "Logic" of Health Insurance	313
The Social Origins of Health Insurance	315
The Extension of State Involvement in Health Insurance	316
The Doctors' Struggle	320
Broadening Coverage	322
Deepening Coverage	324
The Structure of the Health Insurance Market	325
Economy and Governance	326
Conclusions and Policy Lessons	328
Annex 12A Socioeconomic Data on Health Insurance, Selected West European Countries	331
Annex 12B Overview of Health Financing and Social Health Insurance, Selected West European Countries	334
Annex 12C The Conceptualization of Good Governance	336
Notes	337
References	337
13. From Cradle to Grave in the United Kingdom, Canada, Australia, and Elsewhere	341
<i>Alexander S. Preker and Mark C. Bassett</i>	
Introduction	341
Past Achievements	342
Major Outstanding Issues	344
Two Different Reform Processes to Universal Access	345
Legal Entitlement and Dimensions of Access	348
Nature of Participation	350
Financing Mechanisms	350
Relevance of OECD Experience to the Developing World	351
Revisiting Universal Entitlement	355
Note	355
References	356
14. Great Post-Communist Experiment in Eastern Europe and Central Asia	357
<i>Adam Wagstaff and Rodrigo Moreno-Serra</i>	
Introduction	357
Europe and Central Asia's SHI Reforms and Hypothesized Effects	359
Methods	364

Data	367
Results	374
Discussion and Conclusions	384
Notes	387
References	390
PART 3 IMPLEMENTATION CHALLENGES: STAYING THE COURSE	393
15. Political Economy of Reform	395
<i>Ashley M. Fox and Michael R. Reich</i>	
Introduction: Why Political Economy?	395
Agenda Setting: Getting Health Insurance onto the National Agenda	397
Technical Design: What Affects the Contents of the Proposed Reforms?	403
Adoption: Political Bargaining and the Legislative Process	411
Implementation: Operationalizing the Reform	417
Conclusions	424
Notes	428
References	428
16. Institutions Matter	435
<i>Alexander S. Preker, April Harding, Edit V. Velenyi, Melitta Jakab, Caroline Ly, and Yohana Dukhan</i>	
Introduction	435
Political Economy of Health Financing Reforms	436
Policy Options for Reform	444
Notes	461
References	462
17. Accountability and Choice	467
<i>Dov Chernichovsky, Michal Chernichovsky, Jürgen Hohmann, and Bernd Schramm</i>	
Social Health Insurance: The Concept	469
Social Health Insurance Models: A Typology	471
Shaping the Institutional and Governance Infrastructure for SHI	476
SHI Transitional Challenges: Transforming Groups and Stakeholders	483
Meeting Transitional Challenges	488
