What's New:

- ▶ **Notice to Authors:** As of **January 1, 2006**, hardcopy submissions of manuscripts and Supporting Information are no longer being accepted. Manuscripts must be submitted through the [ACS Paragon System](#).
- ▶ See the complete listings of [Most-Accessed Articles](#) for *Industrial & Engineering Chemistry Research*.
- ▶ Free access to [Announcement of new Associate Editor](#) Massimo Morbidelli.
- ▶ In the category of Chemical Engineering, *Industrial & Engineering Chemistry Research* is #3 in citations (13,797). The journal published 936 articles in 2004, the most in its field. [More citation data...](#)
- ▶ **Attention Authors:** ACS Publications has upgraded its electronic reprint policy with [ACS Articles on Request](#).
- ▶ All ACS journals now offer **RSS** Feeds.
- ▶ **January 20, 2006: Notice to Victims of Hurricanes Katrina and Rita**
At the request of the U.S. Postal Service, delivery of ACS journals and *C&EN* is still suspended to certain affected areas. Full online access continues. Contact us at 1.888.338.0012 or liblink@acs.org for further information.
