## Soil Microbial and Enzyme Activities Response to Pollution Near an Aluminium Smelter — [Source link](#)

Juan Carlos García-Gil, Jozef Kobza, Pedro Soler-Rovira, Soňa Javoreková

**Institutions:** Spanish National Research Council, Matej Bel University, Slovak University of Agriculture

**Published on:** 01 May 2013 - Clean-soil Air Water (WILEY-VCH Verlag)

**Topics:** Leaching (agriculture), Fluoride and Soil water
