Dear Lucia,

I certify that I carried out some of the research leading to the following publication whilst I was a visitor at the Department of Theoretical Physics, Australian National University.

Publication Type: journal article

Publication Title: Standard Modules, Induction and the Temperley-Lieb Algebra.

Published in: Advances in Theoretical and Mathematical Physics, 18:957-1041, 2014

This article was co-authored with David Ridout.

(Lucia, I hope to see you in July!)
