 Correction for 'Synthesis and anticonvulsant activity of phenoxyacetyl derivatives of amines, including aminoalkanols and amino acids' by Katarzyna Pańczyk et al., *MedChemComm*, 2018, DOI: 10.1039/c8md00430g.

The authors regret the following errors in their manuscript:

In the Abstract, in the sentence beginning "All 17 compounds...", the part in parentheses should have "and rotarod" and "or *i.p.*" deleted to leave: (e.g. MES – rats, *p.o.*, hippocampal kindling – rats, *i.p.*).

The journal quoted in ref. 19 is not correct. The corrected version of ref. 19 is shown below as ref. 1.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
