John W. Schuster and Ann K. Griffen, "Teaching a Chained Task with a Simultaneous Prompting Procedure," Vol. 3, No. 3, pages 299-316

Artwork for Fig. 1 of the Schuster and Griffen paper on p. 309 was inadvertently switched with that of Figure 1 of Summers, Rincover, and Feldman on p. 295. The figure captions printed correctly. The correct figure and caption are printed on the following page.
