

Erratum

The nucleotide sequence of bovine MHC class II *DQB* and *DRB* genes

M. A. M. Groenen, J. J. van der Poel, R. J. M. Dijkhof, and M. J. Giphart

Immunogenetics 31: 37–44, 1990

The sequence published in line 3 of the erratum (Groenen et al. *Immunogenetics* 35: 290, 1992) should be corrected to

(GT)₂₀(GA)₉[CA(GA)₂]₄ ...

The amended sequence was communicated to M. Groenen in 1991. For the corrected sequence of the original clone kindly supplied by M. Groenen see also Ammer and co-workers (*Immunogenetics* 35: 332–340, 1992).

W. Schwaiger, E. Weyers, J. T. Epplen

Announcement

The Fourteenth International Conference on Animal Genetics will be held in Prague, Czechoslovakia, on July 25–29, 1994. The Workshop organizer will be Dr. Josef Matoušek. All those interested in attending should contact Dr. Josef Matoušek, Institute of Animal Physiology and Genetics, 277 21 Liběchov, Czechoslovakia.
