

The relationship between poor sleep and inhibitory functions indicated by event-related potentials

Markus Breimhorst · Michael Falkenstein ·
Anke Marks · Barbara Griefahn

Published online: 2 April 2008
© Springer-Verlag 2008

Erratum to: Exp Brain Res (2008)
DOI 10.1007/s00221-008-1333-9

In the published original version of the article, in the list of references the article by Falkenstein, Hoormann, and Hohnsbein (2002) was not cited correct. It is not published in the *International Journal of Psychophysiology* but in the *Journal of Psychophysiology*.

The correct reference should read as follows:
Falkenstein M, Hoormann J, Hohnsbein J (2002) Inhibition-related ERP components: variation with modality, age and time-on-task. *J Psychophysiol* 16:167–175

The online version of the original article can be found under
doi:[10.1007/s00221-008-1333-9](https://doi.org/10.1007/s00221-008-1333-9).
