This article has the following errors:

Section 3.1—in the last sentence of the second-to-last paragraph on p. 664 "Case 2 represents a fairly simple, non-stationary relationship between z_i and y_i , whilst case 2 represents a more complex, non-stationary relationship." should read

"Case 2 represents a fairly simple, non-stationary relationship between z_i and y_i , whilst case 3 represents a more complex, non-stationary relationship."

Section 3.1—Fig. 1 on p. 665

Figs. 1C and 1D should be titled **high** heterogeneity rather than **low** heterogeneity.
