Correction for 'Three hidden talents in one framework: a terephthalic acid-coordinated cupric metal–organic framework with cascade cysteine oxidase- and peroxidase-mimicking activities and stimulus-responsive fluorescence for cysteine sensing' by Xin Li et al., *J. Mater. Chem. B*, 2018, 6, 6207–6211.

The authors regret that an error was included in the original version of their manuscript. The sentence “According to the simulated data provided by the Cambridge Crystallographic Data Centre (CCDC 112954)” should read “According to the simulated data provided by the Cambridge Crystallographic Data Centre (CCDC 687690)”. Please note that the CCDC number has been corrected.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
