Received May 15, 2009

DOI: 10.1134/S1061934809070193

1. On p. 131, left column, the last line of the third paragraph should read:

2. Throughout the text **microwave combustion in an oxygen flow** should read **microwave-induced oxygen combustion** and **periodate ion (IO_4^-)** should read **iodate ion (IO_3^-)**.
