### **Water-Maze Learning in the Mouse Correlates with Variation in Hippocampal Morphology**

H. Schwegler,<sup>1</sup> W. E. Crusio,<sup>1</sup> H.-P. Lipp,<sup>2</sup> and B. Heimrich<sup>1</sup>

The following reference was omitted from the above-titled paper published in 1988 [*Behav. Genet.* **18**:153–165 (1988)]. Lichter (1983) should have been cited in the text of the article at the very end of the Introduction section as follows: “. . . hypotheses only (Lichter, 1983).”

In the reference section, it should have appeared: Lichter, P. (1983). *Feinanalyse von orientierungsabhängigem Lernverhalten im Water-Maze bei Mäuse-Inzuchtstämmen*, Diplomarbeit, University of Heidelberg.
