Contents

<i>Acknowledgements and dedications</i>	ix
1. Introduction	1
2. Multilateral environmental treaties	5
2.1 Environmental treaties in the modern world	5
2.2 Environmental treaties generally	10
2.3 The <i>Bering Sea Fur Seals Arbitration</i>	11
2.4 Early conventions and categorisation of species	14
3. The first old watchdog: the ICRW	19
3.1 The early history	19
3.2 A sea change in attitude	25
3.3 The moratorium	41
3.4 The philosophical battle	47
3.5 The IWC and CITES	55
3.6 Entering the twenty-first century	71
3.7 A victory for the pro-whaling side	80
3.8 The 'Future of the IWC' begins	85
3.9 Possibilities for change	93
3.10 Things almost fall apart	98
3.11 Things go back to 'normal'	102
3.12 Considering the position	104
3.13 More than mere diplomacy: Sea Shepherd and Japan's scientific research whaling	112
3.14 International litigation and scientific research whaling	113

4. The second old watchdog: CITES	121
4.1 Creation	121
4.2 Nature	122
4.3 Effectiveness	126
5. CITES and elephants	131
5.1 East Africa, ivory and the 1989 CITES CoP	131
5.2 The next CoPs	139
5.3 CITES and the African elephant	141
5.4 CITES, the African elephant and whales	142
5.5 Subsequent CoPs	145
5.6 Good CoP, bad CoP, compromise CoP	148
5.7 Recent CoPs	152
6. The IWC, CITES and whaling	155
6.1 Downlisting proposals	155
6.2 Further downlisting proposals	160
6.3 A change of approach	164
7. Conservation of elephants and whales	167
7.1 Conservation's 'poster children'	167
7.2 African viewpoints: Eastern and Southern	168
7.3 South Africa and conservation	173
8. Sovereignty and environmental damage	176
8.1 Sovereignty	176
8.2 The 'tragedy of the commons'	180
8.3 The tragedy of overfishing	181
9. Different palates: Oriental and Occidental	187
10. Biodiversity	191
10.1 The importance of biodiversity	191
10.2 Whales, elephants and the 'ecosystem approach'	192
10.3 The CBD	199
11. ICRW/IWC membership	203
12. Special animals and links between species	206

13. Toward a conclusion	214
13.1 The battle and the war	214
13.2 In my view	216
14. In black and white and shades of grey: recommendations	220
14.1 The problem	220
14.2 Recommendations	221
